

NEW RENAULT KIGER

Please note that the features and specifications in this brochure apply only to the Kiger Naturally Aspirated model range (i.e. Non-Turbo).

athletic suv

The new generation Renault Kiger takes a leap forward with its robust design shaped by dynamic athletic lines. SUV inspired features are enhanced with imposing front and rear bumpers extending to the wheel arches, a ground clearance of 205 mm and functional roof bars, with a 50kg load capacity.

The grille features the sharp design of Renault's new identity, enhanced by the distinctive and high-performance tri-octa LED head lamps. The sculpted tail lights and 16-inch dual-tone flex wheels amplify its bold, sporty character.

tech on board

Technology designed for you, featuring an 8-inch central touchscreen with smartphone replication (cable connection) to access your favourite apps. Enjoy compatibility with Apple CarPlay® and Android Auto™. Daily life simplified: the doors unlock automatically as you approach with the hands-free card.

Essential driving information always at your fingertips with the 7-inch Thin Film Transistor (TFT) cluster featuring widgets attuned to each driving mode.

Enjoy easy access with smart keyless entry & ignition.

comfortable and convenient

Functionality and comfort are reimagined with new refined two-tone interior aesthetic. The carefully designed cabin space offers class-leading roominess, along with one of the best rear knee room measurements, providing up to 222 mm of comfort.

The spacious 405 L trunk provides a solution for all your trips, enhanced by an additional loading capacity of up to 50 kg on the sturdy roof rails.

The cabin offers up to 29 L of practical, well designed interior storage space throughout.

the human first program is a comprehensive safety program developed by Renault in collaboration with researchers, experts and fire-fighters.

because road safety is the business of all road users – be they pedestrians, cyclists or motorists – the human first program by Renault undertakes to:

- 1. prevent accidents by developing safety equipment and advanced driving and safety assistance systems**
up to 32 advanced driving assistance systems/more than 60 safety systems, up to 7 airbags, child seats (Isofix), Renault's Fixe4sure solution/more than 2 000 safety-related patents filed since 1970
- 2. manage accidents once they have happened by drawing on innovations developed in collaboration with fire-fighters**
QRescue/Fireman Access/more than 5 000 fire-fighters trained over the past 10 years in 20 countries throughout the world/around 400 cars given per year for their training
- 3. reduce the number of accidents and their severity by investing massively in R&D**
safety score/safety coach/connected services/big data/artificial intelligence and cybersecurity systems

Renault service & support

Enjoy complete peace of mind with a standard 5 year/150 000 km mechanical warranty and 2 year/ 30 000 km service plan.

24HR Roadside Assistance

Because your personal safety is of utmost importance to us, help is one phone call away.

Simply dial 0800 600 189

Unlock significant fuel savings while embarking on new adventures.
